

eCO - CARBON B

Eco - Carbon B is a high-efficiency carbon–boron nutritional designed to boost soil energy, root development, and micronutrient uptake. Built from a premium carbon (humic) base (22% carbon from leonardite) and fortified with Boron 10%, this blend improves nutrient mineralization in the soil while delivering the boron needed for strong cell wall formation and reproductive growth. Eco - Carbon B supports a more active soil environment, helping crops withstand environmental stress and convert nutrients into yield more effectively.

Key Benefits

- Enhances nutrient availability by energizing soil biology and improving mineralization
- Supports root growth through better soil conditioning and increased microbial activity
- Delivers essential boron for strong cell wall development and reproductive success
- Improves stress tolerance under heat, drought, and environmental pressure
- Promotes more efficient nutrient use, translating to healthier plants and stronger yields

Active Ingredients

Soluble Potash (K20) Derived from Potassium Hydroxide	4%
Boron (B)	10%

Also contains Non-Plant Food Ingredients:

Humic Substances derived from Leonardite	22%
Other Ingredients	78%

EVOLVE CROP SYSTEMS

eco Carbon B

ACTIVE INGREDIENTS

Analysis:
Boron (B).....2.5%
Derived from Boric Acid

Also contains Non-Plant Food Ingredients:
Humic Substances derived from Leonardite.....4%

KEEP OUT OF REACH OF CHILDREN
CAUTION! / PRECAUCIÓN!

Causes eye irritation. Causes skin irritation. Harmful if swallowed.

GENERAL INFORMATION

EcoCarbon Bisa proprietary blend of boron and carbon designed to help increase nutrient availability in the plant and soil while providing an enhanced version of boron. This product can be used on most fruits, vegetables, field, and row crops.

MIXING

Eco Carbon B mixes well with water with little agitation required. Partially fill tank with water and start agitation. Add Eco Carbon B slowly while agitating. Lastly, add fertilizer product with Eco Carbon B and water.

APPLICATION RATES

SOIL APPLICATION:0.5 to 10.0 gallons per acre
FERTIGATION RATES: 0.5 to 10.0 gallons per acre
DRIP IRRIGATION: 1.0 to 10.0 gallons per acre, not exceeding 3% solution
FOLIAR APPLICATION: Apply 2-4 quarts per acre

FIRST AID

Have the product container with youwhen calling a poison control center or doctor, or going for treatment.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present, after the first 5 minutes, then continue cautiously rinsing eye. If eye irritation persists: Get medical advice or attention.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Wash skin with plenty of soap and water for several minutes. If skin irritation persists: Get medical advice or attention.
IF SWALLOWED: Call a POISON CENTER, doctor or physician if you feel unwell. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.
IF INHALED: Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

STORAGE AND DISPOSAL

PRODUCT STORAGE: Do notcontaminate water, food or feed by storage and disposal. May be stored below 32°F if thawed and thoroughly agitated before use. Keep container closed in storage. Do not allow water to be introduced. Store only in original container.
CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer containers for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by incineration or, if allowed by State and Local authorities, by burning. If burned, stay out of smoke.

WARRANTY: Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result, because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Evolve Crop Systems or the Seller. All such risks shall be assumed by the Buyer. Evolve Crop Systems warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to the Directions for Use subject to the inherent risks referred to above. Evolve Crop Systems. makes no other express or implied warranty. In no case shall Evolve Crop Systems or the Seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. Evolve Crop Systems and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by an agreement in writing signed by a duly authorized representative of Evolve Crop Systems. Eco Carbon B is a Trademark of Evolve Crop Systems.
