

THE BOMZ+

The BoMZ+ is a balanced, high-efficiency micronutrient blend containing Boron, Manganese, Zinc, Nitrogen, and Sulfur. Designed to address the most common micronutrient deficiencies limiting crop performance, The BoMZ+ supports early growth, strong root development, and healthy reproductive stages. Its easy-mixing, highly available formulation gives crops the complete micronutrient boost they need for more consistent stands and higher yield potential.

Key Benefits

- Broad-spectrum nutrition delivering B, Mn, Zn, N, and S in a single jug
- Supports early root and shoot development for stronger starts
- Improves nutrient efficiency in soils prone to micronutrient tie-up
- Enhances plant health and vigor throughout key growth stages
- Promotes better reproductive performance for improved yield consistency

ATTENTION

This product contains boron; use on any crops other than those recommended may result in serious injury to the crops.

Guaranteed Analysis

Total Nitrogen (N)	4%
4.0% Urea nitrogen	
Sulfur (S)	3%
Boron (B)	0.25%
Manganese (Mn)	3%
Zinc (Zn)	3%

Derived from urea, boric acid, manganese sulfate and zinc sulfate.

GUARANTEED ANALYSIS

Total Nitrogen (N).....4%
4.0% Urea nitrogen
Sulfur (S).....3%
Boron (B).....0.25%
Manganese (Mn).....3%
Zinc (N).....3%
Derived from urea, boric acid, manganese sulfate and zinc sulfate.

KEEP OUT OF REACH OF CHILDREN
CAUTION! / PRECAUCIÓN!

WARNING: Causes serious eye damage. Causes skin irritation.
Suspected of damaging fertility or the unborn child.

ATTENTION:

This product contains boron; use on any crops other than those recommended may result in serious injury to the crops.

GENERAL INFORMATION

The BoMZ+ is specifically formulated for foliar delivery of manganese, zinc and boron for all crops.

RATE RECOMMENDATIONS

FOLIAR APPLICATION:
Ground: Apply 1-2 quarts in a minimum of 10 gallons of water per acre and repeat as needed.
Aerial: Apply 1-2 pints in a minimum of 5 gallons of water per acre and repeat as needed.
SOIL APPLICATION:
Use 1-3 quarts per acre. Not for use with starter fertilizer.
Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/ tissue test recommendation.

MIXING AND HANDLING INSTRUCTIONS:

Fill mix tank with halfof required watervolume andbegin agitation. Add products in this order, mixing thoroughlyafter each addition:adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application, especially for high phosphate and alkaline (high pH) solutions.

For full strength application, handling or storage equipment MUST consist of either PVCs, polypropylenes, most plastics, or stainless steel. Never use mild steel, nylon, brass, aluminum or copper around, to store, or to handle full strength The BoMZ+. Rinse handling equipment after use if material is susceptible to corrosion.

PRECAUTIONARY STATEMENTS:

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/clothing and eye/face protection. Wash thoroughly after handling. Avoid release to the environment. Collect spillage. First Aid: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor. If on skin: Wash with plenty of water. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse. Storage and Disposal: Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Dispose of contents/container in accordance with local regulations.

WARRANTY: Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result, because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Evolve Crop Systems or the Seller. All such risks shall be assumed by the Buyer. Evolve Crop Systems warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to the Directions for Use subject to the inherent risks referred to above. Evolve Crop Systems. makes no other express or implied warranty. In no case shall Evolve Crop Systems or the Seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. Evolve Crop Systems and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by an agreement in writing signed by a duly authorized representative of Evolve Crop Systems. The BoMZ+ is a Trademark of Evolve Crop Systems.
