

eXHIBIT BORON 10%

Exhibit Boron 10% is a highly available boron source formulated to support strong reproductive development, pollen viability, and cell wall formation in high-demand crops. Boron is commonly tied up in dry, sandy, or high-pH soils, and Exhibit Boron 10% delivers a reliable supply right when plants need it most. From early growth through flowering and grain fill, Exhibit Boron 10% promotes healthier, more efficient nutrient movement within the plant for more consistent yield results.

Key Benefits

- Supplies readily available boron to prevent hidden and visible deficiencies
- Supports reproductive development for better pollination and grain/seed set
- Strengthens cell wall formation to improve plant structure and stress tolerance
- Enhances nutrient movement within the plant for more efficient growth
- Ideal for sandy, low-organic-matter, or high-pH soils where boron is easily lost

Boron (B).....10%
Derived from Boric Acid

KEEP OUT OF REACH OF CHILDREN CAUTION! / PRECAUCIÓN!

(If you do not understand the label, find someone to explain it to you in detail.)

Contact may cause moderate eye irritation. Avoid contact with eyes, skin or clothing. Wear chemical safety goggles and gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

PRODUCT DESCRIPTION

ExhibitBoron 10%isaliquidfoliarused on various crops to provide boron through the plant and soil.

RECOMMENDED RATES

FOLIAR:8-32 ouncesper acre
IN-FURROW: 8-16 ounces per acre

FIRST AID

Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present, after the first 5 minutes, then continue cautiously rinsing eye. If eye irritation persists: Get medical advice or attention.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Wash skin with plenty of soap and water for several minutes. If skin irritation persists: Get medical advice or attention.

IF SWALLOWED: Call a POISON CENTER, doctor or physician if you feel unwell. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

HANDLING AND STORAGE

Store in a cool, dry place in original container. Do not store near oxidizing agents. Keep container closed in storage. Do not allow water to be introduced. Do NOT store below 32 F.

WARRANTY: Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result, because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Evolve Crop Systems or the Seller. All such risks shall be assumed by the Buyer. Evolve Crop Systems warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to the Directions for Use subject to the inherent risks referred to above. Evolve Crop Systems makes no other express or implied warranty. In no case shall Evolve Crop Systems or the Seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. Evolve Crop Systems and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by an agreement in writing signed by a duly authorized representative of Evolve Crop Systems. Exhibit Boron 10% is a Trademark of Evolve Crop Systems.
