

## MAN-UP

MAN-Up is a high-efficiency manganese solution designed to correct and prevent manganese deficiencies in crops grown on high-pH or sandy soils. Its highly available formulation improves chlorophyll production, supports stronger early-season growth, and boosts the plant's ability to handle stress. MAN-Up helps keep crops greener, healthier, and more responsive throughout the growing season—so your fields stay on track for higher yields.

### Key Benefits

- Provides quickly available manganese for fast correction of deficiencies
- Supports stronger chlorophyll formation and leaf health
- Enhances stress tolerance during early growth and in-season challenges
- Promotes more efficient photosynthesis for better plant performance
- Ideal for soils prone to manganese tie-up (high pH, sandy, or compacted ground)

### Approved for Use On

Evolve MAN-Up is designed for use in all liquid fertilizers and suspensions as a soil and foilar application for all crops requiring Manganese.

#### Guaranteed Analysis

Manganese (Mn) ..... 8%

*Derived from Manganese Acetate*

### KEEP OUT OF REACH OF CHILDREN CAUTION! / PRECAUCIÓN!

Read Entire Label Before Using This Product

#### SHAKE WELL BEFORE USE

#### GENERAL RECOMMENDATIONS

ExhibitMAN-Up is designed for use in all liquid fertilizers and suspensions as a soil application for all crops requiring Manganese.

#### ROW OR BAND APPLICATION:

Apply 3 to 5 pounds (1-2 quarts) ExhibitMAN-Up per acre, just before planting.

#### BROADCAST APPLICATION:

Apply 5 to 10 pounds (1-2 quarts) Exhibit MAN-Up per acre, just before planting.

#### MIXING INSTRUCTIONS:

PESTICIDES: Follow this sequence;

1. Water
2. Chelate
3. Pesticide

Agitate to assure proper mixing. Always conduct a jar test with new combinations.

FERTILIZER: Follow this sequence;

1. 1/3 of fertilizer
2. 1/2 tank of water
3. Chelates
4. Balance of water and fertilizer.

Agitate throughout mixing to assure proper mix

Since weather, crop, soil and other conditions may vary, Evolve Ag and/or the seller make no warranty of any kind, expressed or implied, concerning the use, storage, and disposal of this product. The user assumes all risks of use and handling whether or not in accordance with the directions or suggestions.

#### NET CONTENTS:

- 2.5 U.S. Gallons (9.46 liters)
- 30 Gallons (113.55 liters)
- 270 Gallons (1022.06 liters)

NET WEIGHT: 11.0 lbs./gal

#### NOTE:

For foliar application, this product may be used at the rate of 1-2 quarts per acre. Optimum rate of application will vary between fields, depending on soil pH and organic matter content. For best results, follow soil test or plant analysis recommendations. Optimum rate of application will vary between fields, depending on soil pH and organic matter and content. For best results, follow soil test or plant analysis recommendations.

#### STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food or feed by storage and disposal. May be stored below 32°F if thawed and thoroughly agitated before use. Keep container closed in storage. Do not allow water to be introduced. Store only in original container.

DISPOSAL: Triple rinse (or equivalent). Then offer container for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by incineration or, if allowed by State and Local authorities, by burning. If burned, stay out of smoke.

WARRANTY: Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result, because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Evolve Crop Systems or the Seller. All such risks shall be assumed by the Buyer. Evolve Crop Systems warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. Evolve Crop Systems makes no other express or implied warranty. In no case shall Evolve Crop Systems or the Seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. Evolve Crop Systems and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by an agreement in writing signed by a duly authorized representative of Evolve Crop Systems. Man-up is a Trademark of Evolve Crop Systems.
