

## eXHIBIT - NKB-S

# The Ultimate Foliar Feed Solution for Maximizing Yields

When striving to maximize genetic potential in your fields, it is critical to maintain season-long plant health. One of the most efficient ways to supply nutrition to achieve that is through foliar feeding crops during critical growth stages. Exhibit-NKBS is one of the only products on the market with 15% potassium combined with nitrogen, sulfur, boron and molybdenum in a highly stable and tank-mix friendly formulation. This formulation allows plants transitioning from vegetative to reproductive stages to gain access to potassium that becomes difficult to mineralize from soils, while bringing in critical micronutrients for grain establishment and fill.

## Key Benefits

- Market leading tank mix compatibility formulation.
- Excellent tank-mix partner with fungicide applications.
- Maximize nutrient mobility and efficiency, allowing for a lower application rate per acre.
- Low salt index and low impurities.
- Contains high efficiency boron.

## Micronutrients

- Sulfur: Important for chlorophyll formation, nodulation, enzyme activation, and S-containing amino acids. Also aids in protein and enzyme synthesis.
- Boron: essential to new growth, pollination and reproduction. Stabilizes cell walls, which provides plant structure and integrity. Also aids in nitrogen assimilation and root nodulation formation, which enhances nitrogen uptake and utilization.
- Molybdenum is utilized by select enzymes, that are used in nitrogen utilization and nitrogen fixation.

## Recommended Crops

Corn, soybeans, wheat, edible beans, grain sorghum, sugar beets, potatoes, cotton and alfalfa

## Base Ingredients

Total Nitrogen (N).....	2.0%
2.00% Urea nitrogen	
Soluble Potash (K <sub>2</sub> O) .....	15.0%
Sulfur (S) .....	4.5%
4.50% Urea nitrogen	
Boron (B) .....	2.50%
2.50% Water soluble boron	
Molybdenum (Mo) .....	2.50%

Derived from Urea, Potassium Sulfate, Sodium Molybdate, and Potassium Borate.

## Directions for Use

### Use Rate:

Apply 1-2 quarts per acre per application throughout the growing season. More frequent applications at 1 pint per acre may be needed to correct deficiencies once they occur. For best results, apply in late vegetative stages and/or early reproductive stages.

### Other Considerations:

- Spray volume (ground application): Minimum 10 gallons per acre (GPA)
- Spray volume (aerial application): Minimum 2 gallons per acre (GPA)
- Labeled for Chemigation
- Recommend spray carriers: commercial, liquid fertilizers, herbicides, fungicides, adjuvants, and water

### Packaging:

Sold in 2x2.5 gallon jugs or a 270 gallon tote.

## GUARANTEED ANALYSIS

Nitrogen (N) .....	2.00%
2.0% Urea nitrogen	
Soluble Potash (K <sub>2</sub> O) .....	15.00%
Sulfur (S) .....	4.50%
4.5% Water soluble sulfur	
Boron (B) .....	2.50%
2.5% Water soluble boron	
Molybdenum (Mo) .....	0.25%
Zinc (Zn) .....	0.50%
Derived from urea, potassium sulfate, sodium molybdate and potassium borate.	

## KEEP OUT OF REACH OF CHILDREN CAUTION! / PRECAUCIÓN!

### WARNING

Product contains Boron and Molybdenum, Do not apply to Boron sensitive crops. Do not apply to crops that will be grazed by ruminant animals. Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

### PRECAUTIONARY STATEMENTS

Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. May damage fertility or the unborn child. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/clothing and eye/face protection. Do not breathe mist or vapor. Wash thoroughly after handling. Contact the SDS for further information.

### FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. IF ON SKIN: Wash with plenty of water. Take off contaminated clothing and wash before reuse. If skin irritation occurs, get medical attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a doctor if you feel unwell. If exposed or concerned, get medical attention.  
WARNING: Cancer and Reproductive Harm-[www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

### PRODUCT DESCRIPTION

Exhibit NKB-S is specifically formulated for foliar delivery of potassium, sulfur and boron.

### RATE RECOMMENDATIONS

Field, Row, Vegetable and Vine Crops: Apply 1-2 quarts per acre per application throughout the growing season. More frequent applications at 1 pint per acre may be needed to correct deficiencies once they occur. Optimum rate of application will vary depending on soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and general health. For best results, follow soil/tissue test recommendation.

### DIRECTIONS FOR USE

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Dispose of contents/container in accordance with local, state and federal laws and regulations.

WARRANTY: Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result, because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Evolve Crop Systems or the Seller. All such risks shall be assumed by the Buyer. Evolve Crop Systems warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to the Directions for Use subject to the inherent risks referred to above. Evolve Crop Systems makes no other express or implied warranty. In no case shall Evolve Crop Systems or the Seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. Evolve Crop Systems and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by an agreement in writing signed by a duly authorized representative of Evolve Crop Systems. Exhibit NKB-S is a Trademark of Evolve Crop Systems.

### NET CONTENTS:

2.5 U.S. Gallons (9.46 liters)

DENSITY: 11.15 lbs./gal

NET WEIGHT: 27.9 lbs
