

## e<sup>STABLISH</sup> COC

Establish COC is a premium crop oil concentrate designed to enhance the performance of herbicides and defoliants that require an oil adjuvant. Its balanced blend of paraffin-based petroleum oil (83%) and nonionic surfactants improves spray coverage, penetration, and uptake—helping actives move through waxy or tough leaf surfaces for more consistent control. Establish COC seamlessly fits into a wide range of spray programs and provides dependable performance across aerial, ground, and brush control applications.

### Key Benefits

- Improves herbicide penetration through waxy or hairy leaf surfaces for better control
- Enhances spray coverage and retention, helping actives stay on the plant where they're needed
- Compatible with most oil-soluble herbicides and fits easily into existing tank mixes
- Versatile across application methods—ground, aerial, and brush control programs
- Balanced oil–surfactant system designed to replace standard crop oils and surfactants with improved performance

### MIXING

Fill spray tank one-half full of water, add the desired amount of herbicide and continue filling. Add correct amount of Establish COC last and continue agitation.

#### Active Ingredients

Principal Functioning Agents:  
Paraffin Base Petroleum Oil ..... 83%

Other Ingredients:  
Polyol Fatty Acid Esters,  
Polyethoxylated Derivatives Thereof ..... 17%

All ingredients are exempt from tolerance requirements under 40 CFR 180.

All ingredients are exempt from tolerance requirements under 40 CFR 180.

## KEEP OUT OF REACH OF CHILDREN CAUTION! / PRECAUCIÓN!

Causes eye irritation. Causes skin irritation. Harmful if swallowed.

### GENERAL INFORMATION

Establish COC is a balanced system of oil and surfactants designed to be used with herbicides and defoliants that call for an oil adjuvant. Evolve COC may be used as a replacement for crop oils and surfactants added to herbicide and defoliant spray programs.

### DIRECTION FOR USE

Always follow pesticide manufacturer's label directions. Establish COC is compatible with most oil-soluble herbicides. Check the particular brand labels to be sure that use with a crop oil is not prohibited on the label.

**BRUSH CONTROL:** For weed and brush control foliage sprays, use 1 gallon Evolve COC per 100 gallons of finished spray. For increased efficacy in late season sprays, use 2 gallons per 100 gallons.

**AERIAL & GROUND SPRAYS USING 5-50 GALLONS/ACRE:** Use 1 to 2 pints

Establish COC per acre in sufficient volume to provide good plant coverage with the equipment used. To increase coverage of mid to late season sprays add 1 to 2 quarts per acre. Do not exceed 2.5% v/v concentration.

Since Establish COC may increase the activity of herbicides, care should be exercised in applying it with herbicides to new varieties or highly inbred lines or under weather conditions, such as high temperatures and high humidity which tend to increase herbicide activity. The use of test areas is recommended if these conditions prevail. Due to variation in natural water compositions, formulations by brand, and types of agitation, pre-testing of the intended tank mixture is recommended.

### MIXING DIRECTIONS

Fillspray tank one-half full of water, add the desired amount of herbicide and continue filling. Add correct amount of Evolve COC last and continue agitation.

### NET CONTENTS:

- 2.5 U.S. Gallons (9.46 liters)
- 30 Gallons (113.55 liters)
- 270 Gallons (1022.06 liters)

NET WEIGHT: 10.2 lbs./gal

### FIRST AID

Have the product container with you when calling a poison control center or doctor, or going for treatment.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present, after the first 5 minutes, then continue cautiously rinsing eye. If eye irritation persists: Get medical advice or attention.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Wash skin with plenty of soap and water for several minutes. If skin irritation persists: Get medical advice or attention.

**IF SWALLOWED:** Call a POISON CENTER, doctor or physician if you feel unwell. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

### STORAGE AND DISPOSAL

Store in a cool, dry place in original container. Do not store near oxidizing agents. Keep container closed in storage. Do not allow water to be introduced. If Evolve COC is stored below 20 °F for an extended period, it may become cloudy and thicken. By raising the temperature above 32 °F the product will return to its normal clear and fluid state.

**WARRANTY:** Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result, because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Evolve Crop Systems or the Seller. All such risks shall be assumed by the Buyer. Evolve Crop Systems warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to the Directions for Use subject to the inherent risks referred to above. Evolve Crop Systems makes no other express or implied warranty. In no case shall Evolve Crop Systems or the Seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. Evolve Crop Systems and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by an agreement in writing signed by a duly authorized representative of Evolve Crop Systems. Establish COC is a Trademark of Evolve Crop Systems.
